## JUST REMEMBER THIS by Mary Adcock

I know that since he's gone  
Your world seems filled with rain.  
But just remember this;  
He's not the one who feels the pain.

He's not the one who's suffering,  
It's you who are left behind.  
But just remember this;  
The sun will soon shine.

I'm not saying you'll forget  
The deeds he did, things he said.  
His habits that may have bugged you  
Are now sweet memories instead.

I couldn't say this to you, aloud.  
So, I'm saying it thru my pen.  
And just remember this;  
Someday you'll see him again.

He's not gone forever, dear friends,  
He's just away for a while.  
So just remember that  
And let me see you smile.

## ORGANIZATIONS

Washington's Army retreated across New Jersey and it dwindled as it went, but by Christmas of 1776, the Americans were 8,000 strong. They crossed the Delaware, where the Hessians, camped at Trenton on the East Bank, were caught off guard, and 900 of them were captured.

## *Tiger Spirit*

We started off with a bang, our first game was a resounding win over Kilgore. Then, we started to develop some problems. We talked them over, worked hard, and got back in control. We even tried some new twists. A shotgun-offense was put into play at times. We lost some crucial games, but it wasn't because we ever gave up. We showed to all our opponents that famous, never-ending TIGER SPIRIT!!

# Never Dies!

We tried to be versatile. Many players had more than one spot. We had a few injuries we could have done without. But this wrapped-up, taped, very tired, but very proud team played on week after week. The fans were behind us all the way. And we ended with a bang; our last game, we beat Atlanta, 26 - 14!!

# RESERVE YOUR JOB FOR FALL NOW

With the Army's Delayed Entry Program, you can come down now and pick the job you want. And if you qualify we'll hold it for you - for up to six months, depending on the job you choose.

Then you can relax and enjoy the summer without worrying about what you'll be doing when it's over.

When you do come in the Army, you'll also have a salary of \$311 a month before deductions waiting for you. Plus free meals, housing, medical and dental care, and 30 days paid vacation a year. And if you'd like to earn college credits while you're in the Army, we'll pay up to 75% of your tuition for you.
